Re: Orellana v. Lopez, et al.  
Case No.: 23-cv-05315-NSR-AEK

Your Honor:

We represent Plaintiff Claudio Orellana in the above referenced action.

On January 9, 2024, the parties jointly requested a sixty (60) extension of time to the deadlines previously set forth in the Court's Order dated November 27, 2023, due to the fact that medical record subpoenas were recently processed by defendants. [DE 37]

Later that same day, Magistrate Judge Andrew E. Krause granted said extension and directed the parties to write to Your Honor to respectfully request an adjournment of the post-discovery conference, which is presently scheduled to be held on March 20, 2024. [DE 38]

As the deadline for all discovery has been extended to June 18, 2024, the parties respectfully request that the post-discovery conference presently scheduled to be held on March 20, 2024, be adjourned to a date after the deadline for all discovery.

Thank you for considering our request.

Cc: all parties via ECF

**In light of the discovery deadline extension, the parties' joint request to adjourn the Status Teleconf. from Mar. 20, 2024 until July 19, 2024 at 10:00 am is GRANTED. Counsel are directed to this Court's Order at ECF No. 15 for dial-in instructions. Clerk of Court is requested to terminate the motion at ECF No. 39.**
